

## The Dreaded LA Airspace

Joe Justice is a Designated Pilot Examiner who recently transferred to the Van Nuys FSDO from Los Angeles FSDO and operated a flight school out of Santa Monica for 24 years. He will discuss why some transitions through class B airspace are friendlier than others and some possible Plan B's that might work should your route get closed. Along with some point outs of areas with high volume of traffic. Brandon Zickafoose will also be present to discuss "Hot Spots".
